-

# Interests and Careers

---

- Interest Inventory
- World-of-Work Map

*These are **suggestions** based on your responses, not decisions.*

*You answered based on your **interests**, not necessarily your abilities.*

---

# Should You Retest?

---

- Did you have any problems during the tests, like misunderstanding or illness?
- Do you think your scores accurately represent your abilities?
- Are your scores a reflection of your grades?
- Have you taken more coursework or would benefit from a review of the subject areas?

***57% of students increase scores by retesting.***
